

**RIDDARA**  
GEELY AUTO GROUP

**DRIVE LIKE A SUV,  
FUNCTION LIKE A PICK-UP.**

**100% PURE EV PLATFORM PICKUP**

**RD6 2WD & 4WD**

## **COST SAVING**

100% electric, reducing travel expenses and maintenance costs for a worry-free experience.

# EASY DRIVE TO WORK

**RIDDARA** Transforming the way we drive, powered by 100% electric innovation.

With fast AC/DC charging, sleek LED design, premium SUV comfort, a 14.6-inch screen, air-purifying climate control, and ventilated adjustable seats, this car ensures a safe and luxurious family journey.

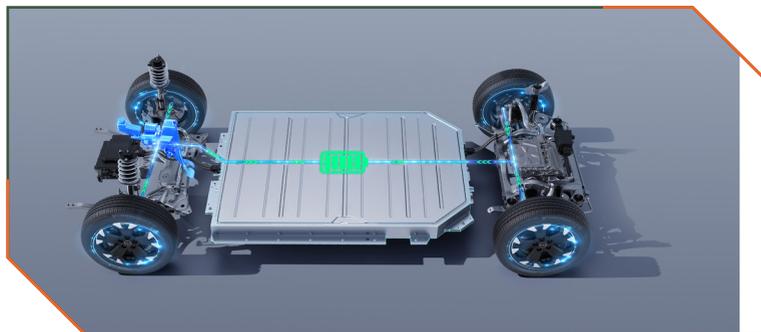

## FRONT GRILLE

The RIDDARA logo grille with LED headlights and day-time running lights combines modern design with sporty strength.

## LED TAILLIGHT

A sleek long LED taillight design ensures brightness and visibility, enhancing safety with a premium sporty touch.

## BEV TECHNOLOGY

High-performance Lithium-Ion Phosphate battery supports AC charging (6.6 kW) and fast DC charging (30–80% in minutes) with a maximum power of 100 kW.

Acceleration  
**4.5s**

Note: Standard equipment may vary by model. Please refer to the equipment details in the table at the end of the book.

# ENJOY OUTDOOR LIFESTYLE

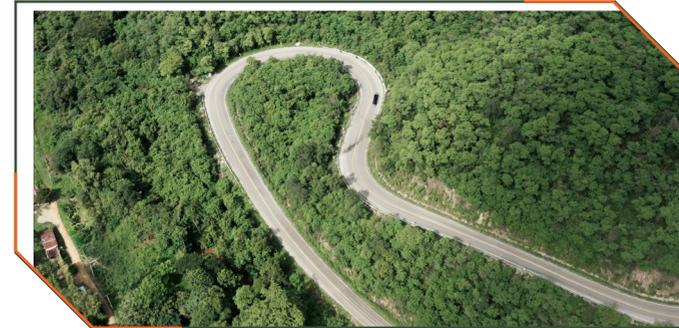

Electric pickup ready to meet all your family's outdoor adventure needs.

Experience unmatched versatility with 100% electric power, a 6 kW discharge port, and a range of up to 3,000 km. Designed for eco-friendly adventures, it meets all your outdoor needs effortlessly.

## WADING DEPTH

Navigate water depths up to 815 mm with ease and confidence.

## 7 DRIVE MODE

Driving modes designed for various terrains, including 7 options (Sand, Mud, Off-road, Wading, Economy, Comfort, Sport) ensuring confidence on every journey.

## LOADING CAPACITY

Spacious 1,200-liter rear storage with additional 70L front and 48L under-seat space.

Note: Standard equipment may vary by model. Please refer to the detailed standard equipment table at the end of the catalog.

**95% MAX GRADEABILITY**

# EASY DRIVE TO WORK

Ready to tackle every challenge, driving you to success.

Effortlessly tackle every challenge with 100% electric efficiency, saving on fuel and maintenance while maximizing opportunities. Achieve 0–100 km/h in just 4.5 seconds with a range of 424 km and robust design to power through any task.

## DISCHARGE PANEL

A 6 kW European-standard rear discharge port offers versatile functionality, enabling appliance powering, device charging, and external equipment support with advanced electricity management.

## EXTRA STORAGE SPACE

Additional storage with a front trunk capacity of up to 70 liters and a rear compartment with a capacity of 48 liters.

**Note:** Standard equipment may vary by model. Please refer to the detailed equipment specifications in the table at the end of the catalog.

## MAXIMIZE SPACE

Front seats recline 180 degrees, offering customizable space for various uses, ensuring comfort for every family member.

# LUXURIOUS COMFORT & INTELLIGENT COCKPIT FOR FAMILY

Enjoy SUV-level comfort with a quiet, premium cabin featuring Pure Electric NVH Silent technology.

Highlights include a 14.6-inch touchscreen with Apple CarPlay, a 50W wireless charger, dual-zone AC, rear air vents, and a CN95 PM2.5 air filter for clean air. Designed for ultimate family comfort on every journey.

**STEERING WHEEL**  
Modern design with voice control for effortless functionality.

**CENTER SCREEN**  
14.6-inch HD display with Apple CarPlay and Carbit Link.

**GEAR KNOB**  
Ergonomic design for smooth and confident drives.

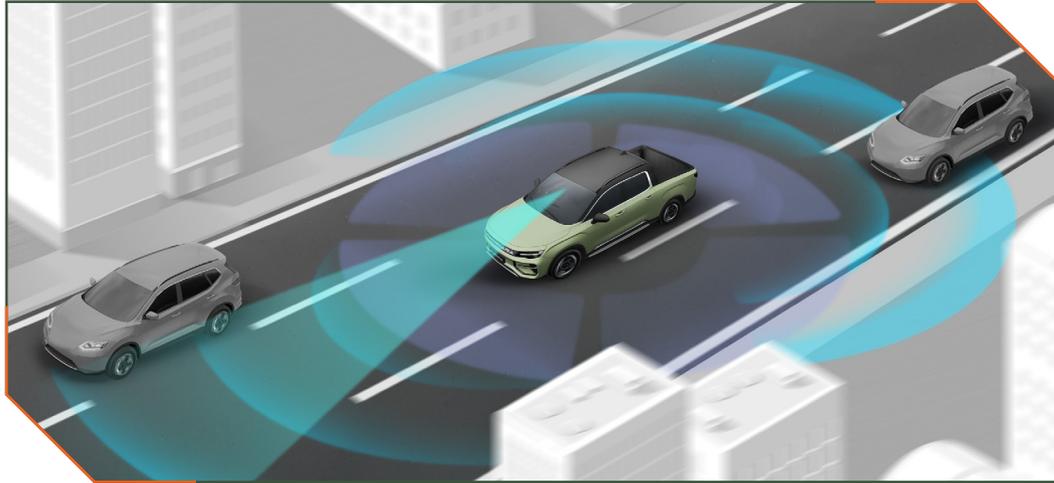

**LEATHER SEAT**  
Premium leather seats with six-way electric adjustment and superior ventilation ensure unmatched comfort for every passenger.

Note: Standard equipment may vary depending on the model and version. Please refer to the detailed specifications for exact standard equipment.

# SAFETY IS THE FOUNDATION OF EVERY ADVENTURE

Confident on every road, protecting everyone in your family.

Comprehensive safety systems protect everyone inside and outside the car. With 14 advanced ADAS features, ESC, TCS, HHC, and HDC, your journey is safe, whether in the city or off-road.

## ADAS, THE INTELLIGENT SAFETY

- Intelligent Cruise Control (ICC)
- Adaptive Cruise Control (ACC)
- Autonomous Emergency Braking (AEB)
- Forward Collision Warning (FCW)
- Lane Keeping Assist (LKA)
- Enhanced Lane Keeping Assist (ELKA)
- Lane Departure Warning (LDW)
- Lane Change Assist (LCA)
- Blind Spot Detection (BSD)
- Emergency Stop Signal (ESS)
- Rear Cross Traffic Alert (RCTA)
- Rear Cross Traffic Braking (RCTB)
- Rear Collision Warning (RCW)
- Front Departure Alert (FDA)

## AIRBAG

6 airbags for all-around passenger protection.

## HIGH INTENSE STEEL

Special high-strength steel chassis for superior safety and durability, exclusive to RIDRARA.

Note: Standard equipment may vary by model. Please refer to the catalog for exact specifications.

## 540° CAMERA

Enhance safety with a 540-degree view, including visibility under the vehicle.

# Vehicle Specification Sheet

Model Name	RIDDARA RD6	
Battery capacity (kilowatt-hour)	63 kWh	73 kWh
Drivetrain	2WD rear-wheel drive	
<b>Dimensions</b>		
Vehicle dimensions Length x Width x Height (mm)	5,260 x 1,900 x 1,880	
Cargo bed dimensions Length x Width x Height (mm)	1,525 x 1,450 x 540	
Wheelbase (mm)	3,120	
Ground clearance (mm)	225	
Wheel and tire size	235/60 R18	235/60 R18
<b>Powertrain</b>		
Acceleration 0-100 kilometers / hour seconds	7.3	4.5
Electric motor type	Permanent Magnet Synchronous Motor	
Battery type	Lithium Iron Phosphate	
Maximum power (kilowatt)	200	315
Maximum torque (Newton-meter)	385	595
Maximum driving range (NEDC Standard) (km)	373	424
Maximum speed (kilometers per hour)	185	190
<b>Charging Information</b>		
Fast charging with direct current/time (DC) 30-80%	90kW / 32 minutes	110kW / 30 minutes
Normal charging with alternating current/time (AC) 20-100 %	220V/240V : 6.6kW / 7.8 hours	220V/240V : 6.6kW / 9.3 hours
3-level regenerative braking system	●	
<b>Loading and towing</b>		
Cargo capacity (kilogram)	1,030	
Towing capacity (kilogram)	2,500	3,000
Gradeability	55%	95%
Wading depth (mm)	500	815
Truck bed material	Fortium_STC-2055-UV	
Body structure strength	30300 N-m/deg	
70-liter front storage compartment	●	
48 liters rear under-seat storage compartment	●	
<b>Steering and suspension system</b>		
EPS electric power steering	●	
Multifunctional steering wheel	●	
Front / rear suspension	MacPherson strut front independent suspension / Multi-link independent rear suspension	
Front / rear brake system	Ventilated Disc brakes on all 4 wheels	
Driving mode	3 modes (Economy / Comfort / Sport)	7 modes (Sand / Mud / Off-road / Wading / Economy / Comfort / Sport)
<b>Power distribution system</b>		
Power distribution while parked	—	●
Power distribution while driving	—	●
Power distribution while vehicle is locked	—	●
Power distribution while charging	—	●
6kW power outlet at the truck bed	●	
European standard power outlet	●	
<b>Exterior equipment</b>		
Black chrome front grille	●	—
RIDDARA LED front grille	—	●
LED headlights	●	
LED daytime running lights	●	
LED light bar taillights	●	
Side steps	●	
Rear step bumper	●	●
Tow hook	—	●
Aluminum roof rails	—	●
Electric tailgate release	●	
Power-adjustable side mirrors	●	
Power-folding side mirrors	—	●
Side mirrors with defrosting system	—	●

Model Name	RIDDARA RD6	
<b>Interior equipment</b>		
Digital driver display	Full LCD 10.25 (inches)	Full LCD 10.2 (inches)
Synthetic leather seat upholstery	●	●
Interior color	Black	Brown/ Black-Green
Front passenger seat 6-way power adjustable	—	●
Driver's seat 6-way power adjustable	●	●
Ventilation system front seat and rear seat	—	●
4 One-touch power windows with anti-pinch system	—	●
Sunroof	—	Optional
